ANNOUNCEMENT

HANSA-FLEX are delighted to announce the acquisition of Plant Hoses Limited, Belfast, Northern Ireland as of 17:00, May 25th, 2018.

With 420 subsidiaries and 320 FLEXXPRESS service vehicles, HANSA-FLEX has become Europe's leading company for all areas of hydraulics. It is the breadth and depth of products and services available that make the company such a valued partner today.

A company such of Plant Hoses past, exhibited many similar values to our own, now connecting with HANSA-FLEX, we will provide a range of many new services, benefits and opportunities for you, our valuable customers, as well as our employees and suppliers in Northern Ireland. It will be a pleasure discussing these with you soon, but beforehand we would like to share a couple of important points:

- You will continue to work with the same people as in the past.
- The services provided in the past will continue to be offered by the new company.
- Contact telephone/fax numbers and postal addresses will stay the same.
- Email addresses will change soon – we will inform you of same.

HANSA-FLEX (NI) Contact Details: 2 Michelin Road, Mallusk, Newtownabbey, BT36 4PT, UK. Phone 028 9083 3813

Over the long-term we believe that this transaction will strengthen us as your provider of Hydraulics, capture growth opportunities in the local market and deliver continued product and service innovation.

If you have any questions regarding above and what it will mean to you, please contact any of the team at HANSA-FLEX (NI) on (phone) 028 9083 3813.

We look forward to meeting you soon and introducing our new company to you.

Yours Sincerely,

Martin Murray
